SERIES PRESTIGE

Top Series *Prestige* is the pinnacle of luxury and exclusivity. Using capsules developed from deluxe materials—ranging from crystal to precious metals and exotic timbers—*Prestige* offers clients the opportunity to strategically differentiate their packaging. A solution developed and created in close partnership with our clients, Top Series *Prestige* is a result of the confidence our customers place in the work of *Portocork Luxury Unit*.

SERIES ELEGANCE

With Top Series *Elegance*, the *Portocork Luxury Unit* design department responds effectively to market trends, constantly creating specialized and innovative solutions. Using a range of materials including ceramics, wood, metal or metallized plastic, Top Series *Elegance* is a highly distinctive and stylish product boasting unique design.

SERIES PREMIUM

Each Top Series *Premium* cork is created using all our skill in customizing barto stoppers that are highly individual in terms of colors, shapes and materials. Top Series *Premium* closures feature a combined low-relief & high-relief profile and incorporate the most advanced technology in order to meet our clients' needs.

SERIES CLASSIC VALUE

Benefitting from an extremely competitive price, the *Classic Value* barto stopper offers a high degree of differentiation using our unsurpassed proficiency in customizing colors and shapes, coupled with guaranteed high levels of reliability.
